

## Byron Earle Bester - Offshore Curriculum Vitae.

### Personal Information:

- **Name:** Byron Earle.
- **Surname:** Bester.
- **Title:** Mr.
- **Date of Birth:** 24 April 1990.
- **Nationality:** South African.
- **Citizenship:** South Africa.
- **Passport Number:** A06857667
- **Gender:** Male.

### Open to Work As:

- Motorman.
- Engine Room Operator.
- Mechanical Fitter Technician.
- Wiper.
- Oiler.

### Availability:

- Immediate - Actively Applying.

### Contact Details:

- **Contact Number:** +27 64 286 9596
- **Contact Number:** +27 72 337 6578
- **Email:** byronbester11@gmail.com

### Location:

- **Current Location:** Kewtown, Athlone, Western Cape, South Africa.
- **Nearest Airport:** Cape Town International, South Africa.

Documents and Training Certificates:	Date of Issue:	Date of Expiry:
STCW Able Seafarer Engine	13 October 2022	12 October 2027
STCW Personal Survival Techniques	09 October 2020	08 October 2025
STCW Medical First Aid	14 September 2024	13 September 2029
STCW Personal Safety and Social Responsibility	04 October 2020	03 October 2025
STCW Fire Prevention & Fire Fighting	18 September 2024	17 September 2029
STCW Survival craft and Rescue Boats	21 July 2022	20 July 2027
STCW Designated Security Duties	21 January 2024	Unlimited/No Expiry
OPITO Survival BOSIET and HUET with CA-EBS	02 February 2022	01 February 2026
SAIPEM Seafarer Medical Certificate	06 July 2023	06 July 2025
OGUK Seafarer Medical Certificate	16 July 2024	16 July 2026
SAMSA Seafarer Medical Certificate	16 July 2024	16 July 2026
South African Passport	12 July 2018	11 July 2028
SAMSA Seaman Book	20 November 2008	Unlimited/No Expiry
H2S / Hydrogen Sulphide Awareness	00 November 2024	Unlimited/No Expiry
Yellow Fever Vaccination	18 November 2008	Unlimited/No Expiry

**Profile Summary:**

- Over 14 years of hands-on experience in the Offshore Maritime Industry in the Engine Department, STCW AB Engine certified, with a strong work ethic and excellent interpersonal skills to collaborate effectively with diverse teams.
- Extensive knowledge as a Motorman, Engine Room Operator and Oiler with strong mechanical and general seamanship skills and excellent situational awareness.
- Exposed and responsible for a wide range of manual labour tasks in engine rooms, focusing on regular preventative maintenance of critical equipment (main engines, seatrax cranes, generators, air compressors, portable water systems, sewage treatment systems, pumps and bilge systems, fire pumps and cold start air compressors) and operations (cargo ops, static towing ops, cable laying and recovery, scientific ops, anchor handling ops) on various types vessels.
- My strategic thinking and strong work ethic drive my commitment to maintaining a safe and efficient work environment.
- My key strengths include vigilance and attention to detail while monitoring multiple factors and equipment, particularly in hazardous areas.
- Quick learning and decision-making abilities capacity allow me to work under pressure in fast-paced environment.
- I am dedicated to ensuring operational excellence and safety in all offshore activities.

**Education:****STC-SA TRAINING CENTER.**

<https://www.stc-sa.co.za/>

- Able Seafarer Engine.
- STCW III/5 - SAMSA.

**Core Professional Skills:**

<b>Industry Knowledge:</b>	<b>Technical Skills:</b>	<b>Soft Skills:</b>
Oil and Gas	Diesel Engine Maintenance	Documentation
Fuel Systems	Engine Maintenance	Fault Finding
Electrical Systems	Mechanical Troubleshooting	Teamwork
Lubrication Systems	Thrust Bearing Maintenance	Endurance and Strength
Cooling Systems	Vibration Analysis	Communication
Hydraulic Systems	Bilge System Maintenance	Decision-Making Ability
Generator Systems	Flange Management	Hazard Recognition
Pumps and Valves	Flange Gasket Fitting	Manual Dexterity
Hydraulic Tools	Interpret Drawings and Schematics	Adaptability
Installation	Equipment Repairs and Maintenance	Cost Conscious
Bolt Torque Tools	Bolting	Quality Control
Power and Hand Tools	Torque Values	Interpersonal Skills
Electrical and Pneumatic Tools	Fastener Components	Self-Motivation
Lock Out and Tag Out	Gapping and Shim Installation	Efficient
Confined Space Entry	Torque Measurement Tools	Agility and Balance
Firefighting Procedures	Torque Values	Emergency Response
Emergency Procedures	Welding	Safety Drills
Permit to Work	Watchkeeping	Compliance
Regulatory Compliance	Field Service Operations	Training

## Employment History:

LinkedIn Profile - <https://www.linkedin.com/in/byron-bester-2b42a5170/>

**Motorman:** DOLPHIN DRILLING.

<http://www.dolphindrilling.com/>

August 2024 - September 2024.

**Contracted to:** ATLAS PROFESSIONALS.

**Vessel:** Semi-Sub BLACKFORD DOLPHIN.

**Location:** Mexico (Offshore).

**Employment Type:** Contract.

- Keep a safe engineering watch as per schedule.
- Conduct regular inspection/ routine checks and testing of machinery to ensure operability.
- Carry out thorough maintenance on engine propulsion, generators, thrusters, pumps, valves, compressors, tanks, bilges, heat exchangers, air condition, sewage disposal systems, steering gears etc.
- Monitor engine room tank soundings namely the sludge tanks, slop tank, bilge tank, fuel overflow tank and main engine lubricating oil sump.
- Conduct maintenance on deck machinery such as cranes, hatch covers and hydraulic pipe systems.
- Report back findings and any malfunctions to engine officers.

**Motorman:** SAIPEM.

<https://www.saipem.com/en>

July 2023 - July 2024.

**Contracted to:** GLOBAL PROJECTS SERVICES.

**Vessel:** Drill Ship DEEP VALUE DRILLER.

**Location:** Mexico (Offshore).

**Employment Type:** Contract.

**Motorman | Mechanical Fitter:** SAIPEM.

<https://www.saipem.com/en>

May 2023 - June 2023

**Contracted to:** NIKHAM ENERGY.

**Vessel:** FLNG CORAL SUL.

**Location:** Mozambique (Offshore).

**Employment Type:** Contract.

- Working on a gas turbine.
- Inspect equipment such as pumps, turbines, distilling plants, and condensers, and prepares record of condition.
- Overhauling of different types of valves.
- Inspect equipment such as pumps, turbines, distilling plants, and condensers, and prepares record of condition.
- Fabricate metal for tools or machinery as required.
- Participate in towing operations, anchor handling, offshore supply operations and dive support.

**Motorman:** SAMSA.

<http://www.samsa.org.za/>

April 2023 - May 2023.

**Contracted to:** SAMSA MARITIME SPECIAL PROJECTS.

**Vessel:** Research and Survey Vessel RS AFRICANA.

**Location:** South Africa (Offshore).

**Employment Type:** Contract.

**Motorman:** AW SHIP MANAGEMENT LIMITED.

<https://awshipmanagement.com/>

August 2022 - September 2022.

**Contracted to:** AW SHIP MANAGEMENT LIMITED.

**Vessel:** Cargo MV HELENA.

**Location:** St Helena (Offshore).

**Employment Type:** Contract.

**Motorman:** SEABORNE SOLUTIONS.

<http://seabornesolutions.co.za/>

July 2022 - August 2022.

**Contracted to:** SEABORNE SOLUTIONS.

**Vessel:** Fishery Research Vessel BAIA FARTA.

**Location:** South Africa (Offshore).

**Employment Type:** Contract.

**Motorman:** SEADRILL.

<http://www.seadrill.com/>

May 2022 - June 2022.

**Contracted to:** NIKHAM ENERGY.

**Vessel:** Drill Ship QUENGUELA.

**Location:** Angola (Offshore).

**Employment Type:** Contract.
