

Sabatier HUGO

Offshore Rope Access Technician

hugo.sabatier974@gmail.com

06 18 17 86 43

Winda : HS051276FR

As a young offshore technician I aim to make a career out of this profession by increasing my knowledge and maximising training courses such as NIBOSH. I would also like to vary the tasks performed on the wind turbines in order to develop my skills. I would like to have the opportunity and the skills to become an offshore team leader.

EDUCATION

- **Irata 2** From December 2023 to December 2026
