## PERSONAL SUMMARY

I am self-employed rope technician for the past few years. I have extensive experience in providing services like painting, blasting, jet cleaning, deep cleaning and general maintenance. In my private life, I am a passionate climber and mountaineer. I have participated in many projects, like rescue trainings or setting up high lines and zip lines. Moreover, I love traveling and visiting new countries, so relocation is not a problem for me.

### **My blade repair experience:**

- blade inspection, also internal
- lamination, usually with vacuum
- core replacement (balsa or foam)
- leading edge renovation
- Bergolin LEP applying
