## OBJECTIVE

Looking forward to an opportunity for working in a dynamic, challenging environment, where I can utilize my skills for developing my career and for the growth of the organization. Knowledgeable electrical site engineer with years of experience and a proven history of managing large-scale projects. Resourceful leader who knows how to manage a team effectively and ensure everyone is working in a productive, safe manner. Exceptional planning skills that allow me to come in for most of the projects I have worked on in the past. Skilled in using the latest technology to develop comprehensive blueprints for projects.

---

## EXPERIENCE

### 1. INTEGRATED MARINE SOLUTIONS, Al Khobar, Saudi Arabia.

#### Service Engineer | 09/11/2022 to Present

- Successfully managed and executed the installation of FUELTRAX Flowmeter systems, a USA-based product, on various vessels at all major ports in Dubai.
- Coordinated multifaceted projects involving the integration of FUELTRAX technology with simultaneous modifications to engine fuel lines and bunker lines.
- Collaborated with the procurement team to source high-quality equipment and components for FUELTRAX systems, engine fuel lines, bunker lines, and Electronic Fuel Management Systems, ensuring reliability and longevity.
- Collaborated with ship architects, manufacturers, and clients to design and implement tailored solutions, ensuring compliance with industry standards and optimal performance.
- Conducted comprehensive assessments of existing fuel systems, identifying opportunities for improvement, and proposed innovative solutions to enhance efficiency and monitoring capabilities.
- Oversaw and managed diverse teams, including fabrication, electrical, carpentry, and piping specialists, ensuring seamless coordination and timely project completion.
- Visited Ports: - **Dubai Maritime City (DMC), Dubai Hamriyah Free Zone Authority (HFZA), Sharjah, Mina Jebel Ali (JAFZA) Jabel Ali, Port Khalid, Sharjah, Jubail Port-Saudi Arabia, Tanajib Port KSA, Ras Tanura Port KSA, Milaha Port Qatar, Aljazeera Port RAK, etc.**

## **2. TOCO (The Oman Construction Company L.L.C), Muscat, Oman**

### **Electrical Engineer | 21/05/2022 to 27/08/2022**

- Led electrical systems inspections and troubleshooting during plant shutdowns, ensuring compliance with safety regulations and operational standards.
- Conducted preventive maintenance and repair of electrical equipment, including motors, transformers, and control systems, enhancing reliability post-shutdown.
- Coordinated with cross-functional teams to develop and execute shutdown plans, minimizing downtime and optimizing resource allocation.
- Implemented safety protocols and conducted training sessions for personnel, fostering a culture of safety and efficiency.

## **3. Doosan Babcock, Abu Dhabi**

### **Electrical Site Engineer | 04/02/2022 to 04/05/2022**

- Supervised electrical installation and maintenance activities during planned shutdowns, ensuring adherence to project timelines and safety standards.
- Collaborated with project managers and contractors to develop and implement detailed shutdown plans, optimizing workflow and resource utilization.
- Led safety briefings and conducted on-site training for personnel, promoting a safe working environment and adherence to best practices.

## **4. TECHNOCAL, Navi Mumbai**

### **Electrical Supervisor | 05/11/2019 to 12/10/2021**

- Assisted in supervising electrical installation and maintenance projects, gaining hands-on experience in managing site operations.
- Engaged in on-site training sessions, enhancing knowledge of electrical codes and standards while promoting a safe work environment.

## 5. JDJ ENGINEERING, Navi Mumbai

### Electrical Intern Engineer | 01/07/2017 to 10/09/2019

- Attended team meetings and training sessions, contributing to project planning and learning about industry best practices.
- Participated in troubleshooting and maintenance activities, enhancing skills in diagnosing electrical issues and implementing solutions.

## EDUCATION

---

COURSE / DEGREE	SCHOOL / COLLEGE	GRADE / SCORE	YEAR OF PASSING
ELECTRICAL ENGINEERING	ANJUMAN I ISLAM KALSEKAR TECHNICAL CAMPUS, PANVEL, NAVI MUMBAI.	7.10	2021
HSC	POONA COLLEGE OF ARTS, SCIENCE AND COMMERCE, PUNE CAMP	55%	2016
SSC	ST. XAVIER PUBLIC SCHOOL, BELTHARA ROAD, BALLIA, UTTAR PRADESH	7.4	2014

---

## ACTIVITIES & ACHIEVEMENT

---

1. Participation in MATLAB held during “Bonhomie 2K18 Fuerza”, an intercollegiate technical event at AIKTC.
2. Participation in ROBO OBSTACLE held during “VYRO”, at Universal College of Engineering, Kaman Bhiwandi Road, Vasai.
3. Participation in LASER TAG held during “AMINOVA”, at AMITY University, Mumbai
4. Participation in WIRING WIZARD CONNECTION held during “EESA”, at intercollegiate technical event at AIKTC.
