

NIKOLAOS SPINTHOURAKIS

Level 3 Rope access technician

I have been involved in this field for the past 10 years. Participated in various projects worldwide (Greece, Albania, Bulgaria, North Macedonia, Kosovo, Qatar, Zimbabwe, Kenya) for plants like Titan cement, Lafarge, Barilla group, Elpedison, electricity plants and food industries. Doing Ndt inspections, anti-corrosion projects, silo inspection/cleaning/repairs, lightning rod installation, Life line installations, rockfall protections etc. Currently working as a freelance at a wind turbine maintenance company.
