Profile

I am an enthusiastic, self-motivated, reliable, responsible and hard-working person. I am a mature team worker and adaptable to all challenging situations. I can work well both in a team environment as well as using own initiative. I work well under pressure and adhere to strict deadlines. I thrive on being part of a coordinated team and play a proactive part within the team with regards to safe operations. I enjoy new challenges with increased accountability and have a strong proven track recording delivering results and the execution of quality work whilst working well under pressure and promptly to deadlines and challenge. I am an energetic person with a good work ethic who can be a constructive member of a team or I can work well on my own initiative. I always ensure health and safety requirements are met, working at a high standard, completing all work scopes to a professional level. I am a proactive and productive employee, working well alongside other co-workers completing tasks to a high standard, safely and on time. I am self-motivated and continually look to improve and developing in the role whilst always being a positive role model for the company I am working for.
