

# EDUAN NAUDÉ

— ROPE-ACCESS/ GWO BLADE REPAIR  
— CALIBRATION/ PRV TECHNICIAN

As a Technician, with offshore and onshore experience, I bring a work ethic focused on safety, teamwork, and clear communication. I aim to match my abilities to organisational needs in order to contribute to a shared success. Embracing skill development, demanding settings and personal growth, makes me adaptable and resilient.

I'm eager to apply my technical skills, safety commitment, and collaborative spirit to a new team for mutual professional and personal advancement.
