Profile

I am a hardworking and reliable individual with an excellent timekeeping and attendance record. I take great pride in my work and always complete my jobs to a very high standard. I have strong technical ability accompanied with key communication skills. Renowned for being safety conscious and a proactive member within a team with the ability to support and encourage the team or an individual & optimize team contribution and performance. I am continually looking to better myself and I am open to undertake any training to expand my knowledge and qualifications. Strong work ethics, values and principles with safety being the priority. I am motivated and enjoy taking on challenges. I have a proven track record in delivering results and the execution of quality work Client focused and work well on my own initiative and demonstrates the high levels of motivation and organisation required to meet targets and deadlines. I am now looking for a new challenge within the industry and to bring my discipline, individual drive, commitment, and a first-class can-do attitude to delivering all work scopes safely and on time to a future employer. I have a strong commitment to work and a thriving desire to be successful!
