

ABOUT ME

As a dedicated and detail-oriented Diesel Mechanic with four years of hands-on experience at Moosa's Enterprise, I possess a robust blend of extensive diesel engine knowledge and strong mechanical skills. Graduating with a National Certificate in Motor Mechanics in 2015, I am highly proficient in diagnosing steering and electrical systems. My excellent communication abilities and enthusiasm for collaborative work enable me to excel in team-oriented environments. I am eager to leverage my expertise in diesel mechanics to contribute to your team, delivering exceptional service and effective solutions. My experience includes working on a variety of vehicles, such as Mercedes-Benz trucks and buses, Scania trucks and buses, Isuzu trucks, Fuso trucks, Yutong buses, Nissan UD trucks, and Thermo King refrigerators.
