Jonathan yeyelo mongo

OBJECTIVE

I use to work in wind farm cleaning tower and silicon then I decided to do Rotor blade repair and basic safety training which I did. That's why I am applying for work as blade repair technician where I can learn and to improve building my skill work hard as well to help the company to reach their goals

EXPERIENCE

2013 - 2019

Skysite

Rope access. Painting. Signage. Window cleaning. Silicon

I started at skysite as a level 1 rope access technician I made my way through up to level 3 rope access technician doing painting. Signage. Plaster so much more

2020 - 2021

Azari karusa wind firm

Town cleaning and putting silicon on nacelle

I use to work for azari as we were cleaning towers then we have been retrenched as the company were about to close down

2022 - Up to date

Skysite

Rope access level3 supervisor

I am currently working with skysite
